

To whom it may concern,

I recently had a family tragedy that required that I sell my radio station. I considered all my options in looking for a buyer. One person I really trusted told me to contact Roger Rafson at CMS Station Brokerage. After I agreed to let Roger list my station, I had a potential buyer within a week or 10 days. He came to the station and we ended up signing an agreement.

Roger also was there to keep the deal together as we hammered out the final details. He helped keep everybody on the same page, focusing on the BIG picture (I wanted to SELL, my buyer wanted to BUY) instead of getting bogged down in the details.

I would recommend Roger Rafson when buying or selling a radio station. I definitely will use him again in the future.
