To Whom it May Concern,

We would like to recommend Roger Rafson and CMS Station Brokerage, Inc. for your Brokerage needs.

Roger has been so helpful and patient in walking us through the steps of selling our radio station and as a result the whole process moved forward extremely smoothly. Everything went just as he had laid it out for us.

In addition, CMS was quick to reply to our calls, emails, and to supply us with the needed forms to facilitate our transaction.

Thank you, Roger and CMS Station Brokerage staff for your part in a successful sale!

Sincerely,

Ron Castro
