To Whom It May Concern:

This is to provide a letter of reference for Mr. Roger Rafson of CMS Station Brokerage. Mr. Rafson was the media broker representing Duquesne University with regard to its recent sale of WDUQ-FM.

For your information, Duquesne University vetted CMS Station Brokerage two years ago before we brought Mr. Rafson on board. Roger seems to enjoy a good reputation in the Broadcast Industry.

Mr. Rafson took the initiative and actively pursued over 40 potential buyers from his contacts. He was professional in all his dealings with us and with the buyers through every stage of the long and detailed process. We were happy to have him helping us to navigate the process.

We felt that Mr. Rafson's focus throughout was squarely on what was best for the University. He is generally a positive person and that was reflected in his work for us.

We are comfortable recommending Mr. Rafson for your consideration. We hope this information proves helpful. If you would like to discuss this further, please do not hesitate to contact me.

Very truly yours,
